

To have
steadfast hope
is to be
steady in faith,
to know that
today is not
the end of your
story, and to
be assured
that the best is
still to come.

Michelle Martino
“Steadfast” Bible Study

**When we
stand
steadfastly,
we can see
God's hand
in the details
of our stories,
even when
He seems
absent
or silent.**

Michelle Martino
